

T.Pack-The expert-consultant with 2 competencies

● our commitment
to bring you
packaging solutions

Our 3 criterias of excellence :

- ▶ Productivity : source reduction/less packaging
- ▶ Promotion : packaging appeal/
consumer information
- ▶ Performance and Protection

Our 2 claims : environmental friendly
and cost saving...
true values of Eco-packaging

○ 2 • our “sourcing”
consultancy to buy
better and cheaper

The 3 expert's tips :

- ▶ selection of the right material
- ▶ identify the right supplier
- ▶ negotiate the right deal
